Los Angeles, CA: Tower General Contractors was recently named as the 5<sup>th</sup> Best Places to Work in LA for 2008 by the Los Angeles Business Journal.

This Los Angeles countywide survey and awards program was designed to identify, recognize and honor the best places of employment in Los Angeles County, benefiting the region's economy, its workforce and businesses.

Companies from every industry entered the two-part process to determine the Best Places to Work in LA.

The first part consisted of evaluating each nominated company's workplace policies, practices and demographics. This part of the process was worth approximately 25% of the total evaluation.

The second part consisted of an employee survey to measure employee engagement. This part of the process was worth approximately 75% of the total evaluation.

The combined scores determined the top companies and the final ranking. Best Companies Group, a professional firm located in Harrisburg, PA, managed the overall registration and survey process and also analyzed the data and used their expertise to determine the final rankings.

Tower General Contractors was recognized and honored at the Best Places to Work in LA awards reception on Tuesday, August 19, 2008, hosted by the Los Angeles Business Journal at the Millennium Biltmore Hotel in Downtown Los Angeles.
